Terms & Conditions

Last updated: September 6, 2026 · Effective date: September 6, 2026

Scope of this document. This is a complete, professionally structured Terms & Conditions agreement covering the clauses a US-facing business website should have — acceptable use, IP, warranty disclaimers, liability limits, a DMCA notice procedure, and dispute resolution. Two provisions are intentionally left as brackets for you (not us) to complete, because only you can supply them accurately: your registered legal entity (Section 2) and your chosen governing-law jurisdiction (Section 17). Have counsel licensed in that jurisdiction confirm the liability and arbitration provisions before publishing, since enforceability of limitation-of-liability and class-action-waiver language varies by state and country.

1. Agreement to these terms

These Terms & Conditions ("Terms") form a binding agreement between you and Indraam governing your access to and use of indraam.com and the tools embedded in it, including the demo AI agent and the AI gap finder (together, the "Site"). By accessing or using the Site, you agree to be bound by these Terms and by our Privacy Policy, which is incorporated by reference. If you do not agree, do not access or use the Site.

2. Eligibility and who we are

You must be at least 18 years old, or the age of legal majority in your jurisdiction, to use the Site. If you are using the Site on behalf of an organization, you represent that you have authority to bind that organization to these Terms. Indraam is a US-based creative and engineering team. *[Insert your registered legal entity name, entity type, and state of incorporation here — for example, "Indraam LLC, a Delaware limited liability company."]*

3. Our services

Indraam designs and ships agentic AI systems, automation workflows, and web and mobile products for clients, and builds its own products (currently OwnerOS and DealerOS AI). The demo tools on the Site — the hero AI agent and the AI gap finder — are illustrative. They are built to show how we work, not to deliver production-grade output or professional advice, and their responses should not be relied on as accurate, complete, or a substitute for a real discovery engagement.

4. License to use the Site

Subject to your compliance with these Terms, we grant you a limited, non-exclusive, non-transferable, revocable license to access and use the Site for your own informational and business-evaluation purposes. This license does not include any right to resell, sublicense, or make commercial use of the Site or its content, to reverse-engineer any part of it, or to use automated means to extract data from it beyond ordinary browsing, except as permitted by Section 7.

5. Using the demo AI tools

- These are experimental demonstrations. Responses may be inaccurate, incomplete, or biased, and are generated in part by a third-party AI model (OpenAI) that we do not control and do not warrant.
- Do not submit confidential, proprietary, or regulated information — including client data, financial records, protected health information, or information about identifiable third parties — to the public chat or gap-finder demos.
- We may log, retain, and review what you submit to these tools, as described in our Privacy Policy, including to improve their performance.
- You are solely responsible for any decisions you make in reliance on output from the demo tools.

6. OwnerOS and DealerOS AI

These Terms cover the marketing pages that describe OwnerOS and DealerOS AI. Actually using either product as a customer — creating an account, uploading documents, or storing vehicle, customer, or financial records — is governed by a separate written agreement (and, where applicable, a data processing addendum) entered into directly with that customer, which controls over these Terms for that use.

7. Intellectual property

The Site, including its text, design, graphics, logos, and underlying code, is owned by Indraam or its licensors and is protected by copyright, trademark, and other intellectual property laws. Except as expressly permitted under Section 4, you may not copy, modify, distribute, publicly perform or display, republish, or create derivative works from any part of the Site without our prior written consent. All trademarks, service marks, and trade names displayed on the Site are the property of their respective owners.

8. Acceptable use

You agree not to:

- Attempt to gain unauthorized access to any part of the Site, including the internal admin dashboard, or to any system or network connected to it;
- Probe, scan, or test the vulnerability of the Site, or breach any security or authentication measure;
- Scrape, crawl, mass-download, or otherwise systematically extract data from the Site or its public API endpoints beyond ordinary, non-automated browsing;
- Use the contact form, chat demo, or gap finder to transmit spam, malware, or unlawful, defamatory, or infringing content;
- Interfere with or disrupt the Site's normal operation, or attempt to bypass its rate limits or other security controls; or
- Use the Site in violation of any applicable law or regulation.

We may suspend or terminate your access to the Site, without notice, for conduct that we reasonably believe violates this Section.

9. User submissions

When you submit information through the contact form, chat demo, or gap finder, you grant Indraam a non-exclusive, worldwide, royalty-free license to use, store, and reproduce that submission solely to provide the Site's features, respond to you, and improve our tools, consistent with our Privacy Policy. You represent that you have the right to submit any content you provide and that it does not infringe or violate any third party's rights.

10. Third-party services and links

The Site links to and relies on third-party services — including OpenAI, Instagram, LinkedIn, and our hosting and database providers. These third parties are independent of Indraam. We do not control, endorse, or assume responsibility for their content, availability, security, or practices, and your use of them is at your own risk and subject to their own terms.

11. Disclaimer of warranties

THE SITE AND ITS TOOLS ARE PROVIDED "AS IS" AND "AS AVAILABLE," WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND ANY WARRANTY ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. WE DO NOT WARRANT THAT THE SITE WILL BE UNINTERRUPTED, ERROR-FREE, OR SECURE, OR THAT OUTPUT FROM THE DEMO AI TOOLS WILL BE ACCURATE OR RELIABLE. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES, SO SOME OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU.

12. Limitation of liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, INDRAAM AND ITS OFFICERS, EMPLOYEES, AND AGENTS WILL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR GOODWILL, ARISING FROM OR RELATED TO YOUR USE OF THE SITE, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR TOTAL AGGREGATE LIABILITY ARISING OUT OF OR RELATING TO THESE TERMS OR THE SITE WILL NOT EXCEED ONE HUNDRED U.S. DOLLARS (US\$100). *[Counsel should confirm this cap and the exclusions above are enforceable in your chosen governing-law jurisdiction, and adjust for any carve-outs your state requires — for example, for gross negligence or willful misconduct.]*

13. Indemnification

You agree to indemnify, defend, and hold harmless Indraam and its officers, employees, and agents from and against any claims, liabilities, damages, losses, and expenses, including reasonable attorneys' fees, arising out of or in any way connected with your access to or use of the Site, your violation of these Terms, or your violation

of any rights of a third party.

14. Copyright complaints (DMCA)

If you believe material on the Site infringes your copyright, send a written notice to hello@indraam.com that includes: (a) a physical or electronic signature of the copyright owner or a person authorized to act on their behalf; (b) identification of the copyrighted work claimed to have been infringed; (c) identification of the material claimed to be infringing and information reasonably sufficient to permit us to locate it; (d) your contact information; (e) a statement that you have a good-faith belief that use of the material is not authorized by the copyright owner, its agent, or the law; and (f) a statement, made under penalty of perjury, that the information in the notice is accurate and that you are authorized to act on the copyright owner's behalf. We will respond in accordance with applicable law, including Title 17, U.S. Code, Section 512.

15. Termination

We may suspend or terminate your access to the Site at any time, with or without cause and without notice. Sections 6 through 18 survive termination of these Terms.

16. Force majeure

We are not liable for any delay or failure to perform resulting from causes beyond our reasonable control, including acts of God, labor disputes, internet or utility failures, or third-party service outages (including our hosting, database, or AI-model providers).

17. Governing law and dispute resolution

[Insert the state or country whose law governs these Terms — for example, “These Terms are governed by the laws of the State of [X], without regard to its conflict-of-laws principles, and any dispute not subject to an arbitration agreement below will be brought exclusively in the state or federal courts located in [County, State].”]

[Optional — include only if you want to require arbitration: “Any dispute arising out of or relating to these Terms or the Site will be resolved by binding arbitration on an individual basis, and you and Indraam each waive the right to a jury trial or to participate in a class action.” An arbitration and class-action-waiver clause is a significant decision with real trade-offs for both sides and should be added only on your instruction and reviewed by counsel — it is not included by default here.]

18. General provisions

- **Assignment** — you may not assign these Terms without our prior written consent; we may assign them freely, including in connection with a merger, acquisition, or sale of assets.
- **Severability** — if any provision of these Terms is held unenforceable, the remaining provisions will remain in full effect, and the unenforceable provision will be modified to the minimum extent necessary to make it enforceable.

- **No waiver** — our failure to enforce any provision of these Terms is not a waiver of our right to do so later.
- **Entire agreement** — these Terms, together with our Privacy Policy and any separate agreement covering OwnerOS or DealerOS AI, constitute the entire agreement between you and Indraam regarding the Site.
- **Export compliance** — you agree to comply with all applicable export and re-export control laws in your use of the Site.

19. Changes to these Terms

We may update these Terms from time to time. We will revise the “Last updated” date above when we do; where a change is material, we will provide additional notice on the Site before it takes effect. Your continued use of the Site after a revised version takes effect constitutes acceptance of the changes.
